

Technical Training for Waste Site Cleanup Professionals

Sponsorship Opportunities

NEWMOA¹ offers the opportunity to highlight your services/products at our workshops. These workshops bring together state and federal regulators, the consulting community, and others to learn the latest information on an aspect of waste site cleanup. This workshop will be held in three different locations and attendance typically ranges from 75 to 150 at each location. For more information about the upcoming workshop, visit: www.newmoa.org/events/event.cfm?m=259.

All sponsorships include the following basic benefits:

- Your organization's logo with link included on the workshop website and e-mail marketing materials
- Your organization's logo on a printed poster highlighting the sponsors on display at the workshop
- Your organization's logo printed on the workshop handouts

Platinum Sponsorship (1 available per location) benefits include:

- Sponsorship of the lunch with additional poster and verbal appreciation throughout the workshop
- **Two** complimentary registrations for the chosen workshop location
- Exhibit table

Gold Sponsorship (2 available per location) benefits include:

- Sponsorship of a coffee break with additional poster and verbal appreciation during the workshop
- One complimentary registration for the chosen workshop location
- Exhibit table

Silver Sponsorship (2 available per location) benefits include:

- One complimentary registration for the chosen workshop location
- Exhibit table

	Single Location	Two Locations	Three Locations
Platinum	\$1,000	\$1,950	\$2,850
Gold	\$700	\$1,350	\$1,950
Silver	\$500	\$950	\$1,350

Exhibits

Exhibitors have a 6' x 3' table located in the same room as the workshop or in the hallway outside.

Contact Jennifer Griffith at NEWMOA to find out more and take advantage of this opportunity: (617) 367-8558, ext. 303 or jgriffith@newmoa.org.

¹ The Northeast Waste Management Officials' Association (NEWMOA) is a non-profit, non-partisan interstate association whose membership is composed of the hazardous waste, solid waste, waste site cleanup, and pollution prevention programs in Connecticut, Maine, Massachusetts, New Hampshire, New Jersey, New York, Rhode Island, and Vermont.
