NORTHEAST CONFERENCE **THE SCIENCE OF PFAS:** Public Health & The Environment

**Sheraton Framingham Hotel & Conference Center
Framingham, MA**

Call for Sponsors & Exhibitors

**Northeast Waste Management Officials' Association (NEWMOA)
September 2019**

[NEWMOA](#) has partnered with the New England Interstate Water Pollution Control Commission ([NEIWPC](#)), the Northeast States for Coordinated Air Use Management ([NESCAUM](#)), the Northeast Recycling Council ([NERC](#)), and others to organize a regional science conference on per- and polyfluoroalkyl substances (PFAS). The goals of the conference are to:

- Ensure that local, state, and federal action to address PFAS contamination is informed by the most current and reliable science
- Facilitate networking and information-sharing among key stakeholders on PFAS topics
- Identify important gaps in the science and policy to help inform future research

The conference will take place over two days and will include plenary and concurrent break-out sessions, exhibits, and posters. The conference organizers expect conference attendance to be approximately 400 people. The invitees will include:

- Local, state, and federal government officials
- Academic researchers and students
- Consultants and vendors
- Companies that use, make, or sell products that contain PFAS
- Non-governmental and environmental organizations

Sponsoring the Conference

Why sponsor?

Conference sponsors will have high visibility prior to and during the conference. NEWMOA will include the sponsors' names and logos, indicating their level of sponsorship on its conference webpages and social media postings and on handouts and signs during the conference. During the conference, the sponsors will be prominently displayed on PowerPoint slides during the plenary sessions and will be acknowledged during those sessions and others.

Sponsors who commit before September 23, 2019 can also join the Conference Planning Committee and help shape the conference.

There are four levels of sponsorship and their associated costs and benefits (in addition to those listed above) are outlined below:
