## Presence Strategies

- **Decreasing Type of Government Involvement**
  - No direct Involvement
    - Promotes Program
    - Sets and screens for eligibility criteria
    - Provides incentives

- **Increasing Type of Government Involvement**
  - Sets and screens for eligibility criteria
  - Provides incentives
  - Audits based on infrequent inspections
  - Imposes sanctions for non compliance
  - Requires self-certifications
  - Audits submittals
  - Conduct random inspections
  - Licenses professional s to provide specific expertise to private parties
  - Sets health and technology based standards
  - Routine reviews facility reports
  - Conducts frequent inspections
  - Imposes sanctions for non compliance
  - Performs or contracts out the environmental service
