Boat builders			
Small automotive touch up operations			
Portable minor air sources eg. wood chippers, stump grinders)			
Municipal operations: POTWS, DPWs, Water Utilities			

# MAINE

## States' Common Measures Project

### Group Preference (Maine DEP)

<b>Group</b>	<b>Potential measurable to compare/Potential Indicators</b>
Small Quantity Generator (please note this one may not work as a common measurable as Maine has a different definition of SQGs)	Registered/or assigned an EPA I.D.
Large Quantity Generator (as long as Maine and all state have same definition of LQG)	Registered/or assigned an EPA I.D.
<b>Air Operating Permits *</b>	<b>Licensing status, compliance info.</b>
<b>TSDFs *</b>	<b>Licensing status, compliance info.</b>
<b>Underground Storage Tanks *</b>	<b>Licensing status, compliance info.</b>
<b>NPDES Majors *</b>	<b>Licensing status, compliance info</b>
<b>NPDES Minors *</b>	<b>Licensing status, compliance info.</b>

\* Please note bolded groups are more of a preference for Maine although all listed could be a possibility for us to choose from given the qualifiers/indicators listed. We would like to possibly offer 1 or 2 data sets listed above depending on the other states preferences.

**STATES' COMMON MEASURES PROJECT GROUP PREFERENCE CHECKLIST**

<b>STATE: NEW YORK</b>	<b>Check if your state would do this group</b>	<b>Check if your state would not do this group</b>	<b>Also Check if this is a group your state is very interested in doing</b>
<b>GROUP</b>			
Small quantity hazardous waste generators	X		X
Large quantity hazardous waste generators	X <sup>1</sup>		
TSDFs	X <sup>1</sup>		
Air Operating Permits		X	
Marinas		X	
Soils Recyclers		X	
Underground Storage Tanks		X	
Colleges and Universities	X <sup>2</sup>		
Hospitals	X <sup>2</sup>		
Photo Processors	X		
Commercial Offsite HW Recyclers	X		
Printers	X		X

Boat builders		X	
Small automotive touch up operations	X <sup>4</sup>		
Portable minor air sources eg. wood chippers, stump grinders)		X	
Municipal operations: POTWS, DPWs, Water Utilities	X <sup>2</sup>		

- Footnotes:
1. These facilities are required to be inspected under our existing inspection program.
  2. These facilities are included in EPA initiatives.
  3. NYS would include Radiator Repair facilities under Auto Repair facilities.
  4. NYS would include small automotive touch up operations under Auto Body facilities.

## STATES' COMMON MEASURES PROJECT GROUP PREFERENCE CHECKLIST

STATE: VERMONT	Check if your state would do this group	Check if your state would not do this group	Also Check if this is a group your state is very interested in doing
