Notes:

- NEWMOA typically organizes training workshops on two different topics each year. Sometimes there are three workshop topics in a year. Each workshop topic is typically held in three locations (i.e. CT, MA, and NH); however, some workshops are only held in two locations if presenters cannot commit to three. The list of past and upcoming NEWMOA workshops and webinars, including agendas, presenters, and links to their presentations is at: www.newmoa.org/cleanup/workshops.cfm
- NEWMOA typically organizes webinars on two or three technical topics each year
- NEWMOA’s WSC Steering Committee consists of the Directors of the WSC Program in each of the northeast states: www.newmoa.org/cleanup/workgroup.cfm
