Subject: CT materials - NEWMOA Haz Waste Call - Consultant Competency - Tuesday May 10th
Attachments: 1-HW PERMIT-MODIFIED - BLANK.doc

As promised during yesterday's NEWMOA HW call on consultant competency, attached please find the following:

- 1.) Links to CT DEP's CESQG and SQG guidance documents, which contain information for generators on how to ensure that manifests are properly prepared:

http://www.ct.gov/dep/lib/dep/waste_management_and_disposal/hazardous_waste/cesqghandbook.pdf (CESQG handbook - see pages 10-15, especially the text balloon on page 14)

http://www.ct.gov/dep/lib/dep/compliance_assistance/manuals_guidelines/sqgguide.pdf (SQG guidance - see pages 31 -33, especially the text balloon on page 32)

- 2.) A copy of DEP's transporter permit format (see attached), which includes a new paragraph C.3. on page 2 which obligates transporters that use pre-prepared manifests to ensure that they are properly and legibly filled out.

RE: Next NEWMOA Haz Waste Call - Consultant Competency - Tuesday May 10th

A quick reminder that our next regularly scheduled conference call is tomorrow, Tuesday May 10th at 10:30 – the topic is “Consultant Competency - state policies and procedures concerning consultants, including waste handlers and others, that provide compliance information to HW generators.”

The call-in number is: (800) 524-3432 and the passcode is: 540402.

Please invite others from your state to participate in the call as appropriate.

Thanks!

Jennifer
