**IMERC E-Filing System
Demonstration**

Before You File

- Collect information on all mercury-added products sold in the U.S. in calendar year 2018*
 - Calculating total mercury = multiply the amount of mercury in one product (mg or ppm) by the number of products sold, convert to grams
- Submit a signed [senior management certification form](#)
- Online user credentials:
 - Username
 - Password*
 - Security questions*
 - Login at:
<https://imerc.newmoa.org/Public/EnSuite/Shared/Pages/Main/Login.aspx>

** The triennial reporting period is updated to coincide with federal mercury reporting. If you have forgotten your password, you can reset it from the login screen. For new contacts for a company that has already reported, contact your prior company contact for credentials. Should they no longer be with the company, contact IMERC. Consider resetting your security question response once you log in.*
