

Greenhouse Gas Accounting Webinar Series (Spring 2011)

WELCOME FROM your co-sponsor:

**The Pacific Northwest
Pollution Prevention Resource Center**

P2Rx.org

PPRC – Climate Change Efforts

- Annual Carbon Footprint
- Climate Change “Topic Hub”
- GHG Management Institute Training
- Carbon Emissions Reduction - Needs Assessment
- Climate change “Rapid Response” service
- Promotion and assistance with various climate change tools & resources
 - West Coast Climate Change Forum, Inventory Workgroup,
 - EPA Lean and Energy/Climate Change Toolkit

Climate Change Topic Hub

Practical solutions for economic
and environmental vitality

We Want Your
FEEDBACK

A Topic Hub™ is a topic-specific guide to collected resources about the topic. Topic Hubs™ provide web-based guides to resources specific to a particular subject. They are "subject-specific resource guides." Additionally, these guides serve a particular set of users - the P2 Specialists and their clients.
