

Revitalizing New England Brownfields Summit 2026

DECEMBER 9 & 10

NEWPORT MARRIOTT
NEWPORT, RI

Call for Sponsors

September 2026

Summit Organizers

The Northeast Waste Management Officials' Association (NEWMOA) and the University of Connecticut Technical Assistance to Brownfields Program (UConn TAB), in partnership with the U.S. EPA Region 1 Brownfields Program, and regional tribal and state brownfields programs, are excited to announce the third biennial Brownfields Summit taking place **December 9–10, 2026**, at the **Newport Marriott in Newport, RI**.

About the Summit

Cleaning up and redeveloping brownfields strengthens local economies, supports job creation, revitalizes existing infrastructure, and improves community and environmental health. The 2026 Brownfields Summit will provide a regional forum for learning, collaboration, and connection around these important issues.

The goals of the Summit are to:

- Share information about financial incentives, liability protections, technical resources, and other assistance available for brownfields development
- Promote best practices and lessons learned across tribes, states, and communities
- Create opportunities for networking and information exchange among key stakeholders

The two-day program will feature plenary and breakout sessions, an exhibit area, and a networking reception on the first evening. Breaks throughout the event will allow ample time to connect with colleagues and explore the exhibit area.

We expect approximately 300 attendees, including representatives from:

- Tribal, state, and federal brownfields and waste site cleanup programs
- Local, regional, and state economic development agencies and planning departments
- Local governments, community organizations, and interested citizens
- Job training grantees
- Real estate developers, financial institutions, and law firms
- Planning and economic development consulting firms
- Environmental professionals

Sponsoring the Summit

All sponsors will receive prominent recognition leading up to and during the Summit. NEWMOA will highlight sponsors' names, logos, and sponsorship levels on the event website, social media, and event signage. Sponsors will also be acknowledged during the plenary session and featured on PowerPoint slides during the event. Coffee breaks and the reception will take place in the exhibit space, providing additional visibility. Details on sponsorship levels, costs*, and additional benefits are provided below.

	Luncheon [†] \$20,000	Platinum Plus \$9,000	Platinum \$6,000	Gold \$3,500	Silver \$2,000

Exhibit-Only Opportunities: Organizations that are not interested in a full sponsorship package may purchase an **Exhibit-Only space for \$1,500**, subject to availability after all sponsors have been accommodated.

Sponsors receive priority for exhibit space, with first choice of exhibit tables going to the highest sponsorship tiers. Exhibit-only opportunities are limited and will be offered starting in October 2026, subject to remaining availability. The best way to secure exhibit space is by becoming a Summit Sponsor.

To become a Summit Sponsor, please fill out [this form](#).

Questions? Please visit the [event website](#) or contact us at brownfields2026@newmoa.org

* Discounted rates available for non-profit organizations.

† Limited to two organizations.

‡ Participation in the Planning Committee is optional.
